

## SPRING HILL SCHOOL DISTRICT

# VISION OF EXCELLENCE

U.S.D. #230 is determined to prepare students to contribute to society. All students achieve their highest potential through mastery of educational outcomes with an emphasis on lifelong learning.

### IN ORDER TO ACCOMPLISH THIS VISION, WE ARE COMMITTED TO:

- personal interaction based on communication, compassion, teamwork, and trust.
- mutual respect shown to everyone.
- open, supportive relationships between school and community.
- on-going willingness to listen and work together.
- professional development for employees
- school services focused on community needs.
- student-centered climate.
- technological opportunities.
- safe facilities that are inviting and conducive to learning.
- positive self-esteem and building a sense of accomplishment in students and employees.
- community pride in our attitude toward learning.
